1. The difference between Argentine Minister of Education Dr. Oscar Ivanissievich and Senora Peron, which was previously reported to have been one of the causes for the recent resignation of Ivanissievich, is reported to have resulted from the fact that Senora Peron attempted to dismiss Secretary General Carlos Frattini,<sup>c</sup> Under-Secretary of the Ministry of Education. Eleven other officials of the Ministry of Education have reportedly turned in their resignations.
2. Agents of the Oficina de Control del Estado, the top security and intelligence agency of the Argentine government, have been given strict orders to watch the movements of Ivanissievich.

25X1X6. [REDACTED] Ivanissevich's successor will be a Nationalist, i.e., a member of the Alianza Libertadora Nacionalista (ALN), who is in the favor of Senora Peron.

25X1A6a [REDACTED] Comment. It was announced on 20 May that Peron had accepted the resignation of Frattini.
